ENDORSEMENT FOR STUDY ABROAD

ENDORSEMENT: It is hereby noted and agreed that if **You** have purchased the Study Abroad option **You** are covered for four (4) return journeys to the **Home area** during the **Period of Insurance**. Cancellation and curtailment cover under Section A will only apply on the initial **outward journey**, and no cover will be provided whilst **You** are in the **Home area**. Cover will be re-instated each time **You** commence **Your Outward Journey** from the **Home area**.

It is hereby noted and agreed that **NO COVER** will apply to any of Section A – Cancellation or Curtailment, Section B - Emergency Medical & Other Expenses, Section B1 - Hospital Confinement Benefit, Section C - Personal Accident and Section H - Personal Liability detailed above with respect to injury claims incurred whilst **you** (the insured person) are participating in sports events and training (excluding Golf and tennis) organised through an institution of further education where **you** are enrolled as a student or taking place on campus facilities. Please ensure that the institution of further education **you** are enrolled with has made proper provision to cover **you**. Such injuries will be deemed to have occurred as a result of **Hazardous Pursuits** not covered by this policy of insurance. This exclusion also applies to playing competitive sports in leagues outside of the university/college and other institutions of further education.

Disclosure of Important Information

When **you** applied for this insurance, and/or when **you** applied to make any change to the cover, **you** were asked a number of questions. **We** relied on all of the answers to these questions to decide the terms upon which **we** offered **you** cover or amended cover. This includes the premium to be charged. It is therefore essential that all of the answers **you** gave were truthful, complete and accurate to the best of **your** knowledge. If any of **your** answers are later found to be incorrect, incomplete or misleading, this could lead to **your** insurance being declared invalid and/or to **your** claim not being paid or not fully paid.

Fraudulent claims or misleading information

We take a robust approach to fraud prevention. If any claim under this insurance is fraudulent or is intended to mislead, or if any misleading or fraudulent means are used by **you** or anyone acting on **your** behalf to obtain benefit under this insurance, **your** right to any benefit under this insurance will end, **your** policy will be cancelled and **we** will be entitled to recover any benefit paid and costs incurred as a result of any such fraudulent or misleading claim. **We** may also inform the police.

Understanding the cover

Some words and phrases in this policy wording and in **your** schedule will have the same meaning wherever they appear. To make it easy to recognise when they are being used, **we** will show them in **bold type**. They are listed in the General Definitions section at the end of this document. All insurance documents and all communications from **us** about this insurance will be in easy to understand English.

Please note that the following sections of cover only apply if a sum insured is shown in **your** schedule. If the schedule does not specify that section or shows a sum insured of NIL then no cover will apply to that section under **your** insurance.

Following Government advice

You and all **insured persons** must observe travel advice provided by the Foreign and Commonwealth Office (FCO). Travel advice can be obtained from the FCO on telephone number +44 (0)20 7008 1500 or by visiting their website at www.fco.gov.uk. No cover is provided under any section of this insurance in respect of travel to a destination to which the FCO has advised against all or all but essential travel unless agreed in writing by **us** prior to purchasing this insurance or travelling.

Reciprocal Health Agreement

All residents of the European Economic Area (all European Union Countries plus Iceland, Liechtenstein and Norway) travelling to another European Economic Area country are strongly advised to obtain a European Health Insurance Card (EHIC). Residents of England, Scotland, Wales and Northern Ireland can obtain them from their local Post Office or online at: <http://www.dh.gov.uk/travellers> or by telephone on 0845 606 2030. This EHIC entitles the **insured person** to benefit from the reciprocal health agreements which exist between European Union countries. Great Britain has reciprocal health arrangements with certain other countries e.g. Australia, New Zealand and Russia. Visit <http://www.dh.gov.uk/travellers> for a list of those countries in which the **insured person** may be entitled to free treatment or treatment at reduced cost.

If an insured person has any disability that makes communication difficult, he or she can tell the **claims administrator** and they will be pleased to help.

You must contact the 24 hour emergency medical service as shown above in the event of an illness or accident which may lead to in-patient hospital treatment or before any arrangements are made for repatriation; or in the event of **curtailment** necessitating **your** early return **home**. The service operates 24 hours a day for advice, assistance, making arrangements for hospital admission, repatriation (returning **you** to **your home area**) and authorisation of medical expenses. If this is not possible because the condition requires emergency treatment, **you** must contact the 24 hour emergency medical service as soon as possible. Private medical treatment is not covered in countries where reciprocal health agreements entitle **you** to benefit from public health care arrangements unless authorised specifically by the 24 hour emergency medical service. The 24 hour emergency medical service has the medical expertise, contacts and facilities to help should **you** be injured in an accident or fall ill. The 24 hour emergency medical service will also arrange transport **home** when this is considered to be medically necessary or when **you** are told about the illness or death of a **close relative** or a **close business associate** at **home**.

Payment for medical treatment abroad

If **you** are admitted to a hospital/clinic while abroad, the 24 hour emergency medical service will arrange for medical expenses, covered by the insurance, to be paid direct to the hospital/clinic. To take advantage of this benefit someone must contact the 24 hour emergency medical service for **you** as soon as possible. For out-patient treatment costing less than £200, **you** should pay the hospital/clinic **yourself** and claim back medical expenses from **us** on **your** return to **your home area**. Beware of requests for **you** to sign for excessive treatment or charges. If **you** are in doubt, please call the 24 hour emergency medical service for guidance and authorisation of costs.

ACA requires certain US citizens and US residents to obtain ACA compliant health insurance coverage. In some circumstances penalties may be imposed on persons who do not maintain ACA-compliant coverage. You should consult your attorney or tax professional to determine if ACA's requirements are applicable to you.
